Dear Pam,

The Michigan PGA Growth of the Game Committee is thrilled to present to you the award for **2017 Junior Player Development Program of the Year**. This is a new award from the Section that is based on the Junior Player Development grant applications submitted by Michigan PGA Professionals.

As a committee, we reviewed the applications and came to a consensus on selecting your junior program based on the following program benefits:

- Accessibility of the program being offered
- Organization and structure of the program in its inaugural year
- Current participation and future potential for program growth

In addition to receiving a lovely award to display at your facility, you will also receive an **additional \$750** in grant support following receipt of your application for the 2018 Junior Player Development grant.

We would also like to publicly recognize you at our upcoming Spring meeting which will take place on **Monday, March 26th** at Eagle Eye Golf Club. Please let Chelsea at the Section office know if you or a representative of the Academy will be able to attend (cguoynes@michiganpga.com; 517-641-7421).

We're so excited for you and truly appreciate your efforts in moving the "golf needle" in the state of Michigan. Congratulations!!!

Best regards,

Stephanie Jennings, PGA
